# SCHOOL READINESS PROGRAMME

The main objective of the school readiness programme:

- *To enable a child to overcome the fear to come to school and to accept the school*
- *Feel comfortable in the new environment*
- *Building children's self esteem and self-confidence in their reading ability*
- *Learn to make friends and to mingle with other students*
- *Listen carefully, speak properly*
- *Working in small and large group situations*
- *Become familiar with surroundings*
- *Eating out of a lunch box(unwrapping food, eating whole pieces of fruits etc.)*
- *Recognises shapes and colours.*
- *Providing positive support for children's reading skills*
- *Building children develop imaginative and creative story telling through interactive approaches*
- *Making reading enjoyable through interactive reading and letting the child be the storyteller.*

# *HAND WRITING RULES*

## **Points to remember:-**

1. Always write carefully on the line.
2. Always write correct spellings.
3. Always write in running (cursive) writing.
4. Always use proper size [font] of the capital [A, B, C...] and small letters (a, b, c...) both at proper place to make it even.
5. Avoid over writing and cutting to make your writing neat and clean.
6. Use proper space between two words as well as between two letters.
7. The words in one line should not overlap with the words in the other line. Leave some space above the letters.
8. Each poem is written in a different style. In some poems they have alignment at the beginning but the others may not, follow them.
9. Use paragraph at proper place in the lesson or story.
10. Always use proper signs of punctuation at proper place. Follow the punctuation rules.
11. Begin the sentence with capital letter.
12. End the sentence with a full stop (.) Or question mark [?]
